Situated in close proximity to the Snowy River, next to the community Rainforest Centre, St Joseph’s Orbost is the ideal setting for a primary school. St Joseph’s School provides primary education for children from the communities in and around Orbost, drawing pupils from all outlying areas.

St Joseph’s is a school for the whole community, warmly inviting enrolments from all families, including those with other faith traditions. The multi-age grouping of children provides for valuable social education and enables children to recognise their own responsibility in developing an atmosphere informed by the gospel values of Jesus Christ. The award winning gardens create a safe, stimulating outdoor area where the students can appreciate and enjoy outdoor learning and recreation. The small number of staff and students at St Joseph’s creates a close knit school community, where staff, students and parents work together to create an excellent educational experience.

A dynamic principal is being sought to lead the school. In particular, the successful applicant will demonstrate the capacity:

- To foster the mission of the Catholic Church
- To promote the school in the parish and community
